

Public Notice – Environmental Permit

PURPOSE OF NOTICE: To seek public comment on a draft permit from the Department of Environmental Quality to limit air pollution emitted by a facility in Harrisonburg, Virginia.

PUBLIC COMMENT PERIOD: January 20, 2008 to February 18, 2008

PERMIT NAME: State Operating Permit issued by DEQ, under the authority of the Air Pollution Control Board

APPLICANT NAME, ADDRESS AND REGISTRATION NUMBER: R. R. Donnelley & Sons Company – Harrisonburg Manufacturing South; 1025 Willow Spring Road, Harrisonburg, VA 22801; Registration 80816

PROJECT DESCRIPTION: R. R. Donnelley & Sons Company has applied for an amendment to a permit to operate a book printing facility at its Harrisonburg Manufacturing South facility. The amendment to the permit reflects the installation of a new heatset web offset lithographic printing press (Press 25) and the removal of a press (Press 20). The permit serves to limit emissions of hazardous air pollutants from the facility to below thresholds triggering applicability of federal operating permit requirements. There is no change in allowable emissions resulting from the proposed amendment. The permit would allow the source to operate a book printing facility.

HOW TO COMMENT: DEQ accepts comments by e-mail, fax or postal mail. All comments must include the name, address and telephone number of the person commenting and be received by DEQ within the comment period. The public may review the draft permit and application at the DEQ office named below. The draft permit is also available on the DEQ website at www.deq.virginia.gov. The public also may request a public hearing. To request a public hearing, written comments must include: 1) The names, mailing addresses and telephone numbers of the requester and of all people represented by the requester. 2) The reason a hearing is requested, including associated air quality concerns. 3) A brief, informal statement regarding the extent of the interest of the requester, including how the operation of the facility affects the requester.
